PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate? From the drop down list please select one option.

Policy GB1 Warrington's Green Belt

2. Does your comment relate to a specific paragraph (s) or policy sub-number (s)? Please select one option.

None of the above

If a paragraph or policy sub-number then please use the box below to list:
A general comment about planned loss of the green belt.

3. Do you consider the Draft Local Plan is: Please select one option in each row.

	Yes	No
Legally Compliant	X	
Sound		X
Compliant with the Duty to Co-operate	X	

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

It is not sound to use so much green belt especially for inappropriate commercial development resulting in heavy traffic where the infrastructure will not be able to cope.

5. If you answered 'Yes' to any of the options in question 3 then please give details in the box below the reasons why you support the legal compliance or soundness of the Draft Local Plan or its compliance with the duty to co-operate. Please be as precise as possible.

Because it is!

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The removal of the commercial proposition and fewer houses on green belt will make it more sound. When it's gone it's gone. Use brown field.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination

If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:
From Kevin McAloon In summary the issues are: • Unjustified economic growth based on old data and ambitious assumptions • Overwhelming house build schemes - 18,900 houses across Warrington by 2037 • Overwhelming commercial premises near Appleton Thorn/ Grappenhall, - situated on approx. 365 hectares of pristine land, some of it precious Green Belt land; premises would be 2nd biggest in the country behind Trafford Park • Urban sprawl, 7400 houses in S Warrington alone, mostly around Appleton Thorn; destruction of village character and landscape • Unrelenting additional traffic, 2,000 HGVs per hour from Langtree Six/56 commercial warehousing site with 42m high 'sheds' • Pollution- air quality/ noise – Warrington already has worst record in the country for dangerous small 2.5-micron particulate emissions. There's a proven link btw exposure to small particulates and premature death (respiratory, heart) • Violation of green belt land, no special circumstances to release GB for new build premises • Contravention of Thorn Ward Neighbourhood Development Plan (NDP) TRANSPORT PLAN LTP4 • Poor transport strategy lacking essential detail – lots of road infrastructure is unplanned or only aspirational across lifetime of the Local Plan • Some infrastructure projects (roads and bridges) will be grossly underfunded and therefore whole plan is undeliverable

You have just completed a Representation Form for Policy GB1 Warrington's Green Belt. What would you like to do now? Please select one option.
