## PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate? From the drop down list please select one option.

Draft Local Plan (as a whole)

2. Does your comment relate to a specific paragraph (s) or policy sub-number (s)? Please select one option.

None of the above

3. Do you consider the Draft Local Plan is: Please select one option in each row.

	Yes	No
Legally Compliant	X	
Sound		X
Compliant with the Duty to Co-operate	X	

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

Housing numbers projected at 945 pa are too high  
Green belt is not needed to accommodate the predicted population  
The proposal does not address the air pollution problems that will come with more vehicles. It;s becoming increasingly clear that air pollution is already having a major effect on the nation's health.  
Warrington is constrained by motorways, the Mersey and the canal. Problems on the motorways bring chaos to the town and these will be made considerably worse by the proposals.  
New roads will be needed but again this will only lead to more air pollution and premature deaths in the town. Do the council believe that self-aggrandisement is more important ?  
Schools and health centres are already over-burdened yet there is no guarantee of any new facilities

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Amend the scheme taking into account my answers to Question 4. As it stands the scheme is not sound.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.
