## PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate? From the drop down list please select one option.

Draft Local Plan (as a whole)

2. Does your comment relate to a specific paragraph (s) or policy sub-number (s)? Please select one option.

None of the above

3. Do you consider the Draft Local Plan is: Please select one option in each row.

	Yes	No
Legally Compliant		X
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

The National Policy Framework gives strengthened protection for Green Belt boundaries which should only be altered where exceptional circumstances are "fully evidenced and justified". From the information given, I do not believe this has been demonstrated to be correct. I am given to understand that there is a large parcel of land becoming available in 2020 on the site of Fiddlers Ferry power station which would be much better suited to logistic and distribution. I would further hope that WBC officers are aware of the Open University "Bridging the Digital Divide! research which outlines that digital technology and automation is likely to see a fall of five million jobs in the next decade.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

I would like our elected Councillors to look again at the Local Plan and take into account the above information and the vast majority of residents of South Warrington who oppose the plan
