I consider that the scale of the proposed garden suburb amounts to environmental vandalism and will remove access of a large number of residents in south Warrington from access to green amenities.  
Furthermore, the garden suburbs has no new means of transport links into Warrington other than by car so will compound the current access and traffic problems in Stockton Heath and Latchford.  
I do not live by the garden suburb, but I can see that it's scale is out of proportion and had only been chosen because it is the "easy option" for the council.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.
