Draft Local Plan (as a whole)

None of the above

3. Do you consider the Draft Local Plan is: Please select one option in each row.

	Yes	No
Legally Compliant		X
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

The plan is unsound on many points. Its deliverability, it unnecessary use of the Greenbelt, with no exceptional circumstances. By delivering the local plan proposed is in direct opposition to the climate and environmental views of central government. How can we deliver 0 carbon emissions by 2050 if we are proposing to build massive logistics employment areas with thousands more hgv vehicles. Also the local plan does not take into account Fiddlers Ferry, brownfield site within the area, but suggests using 10% of the Greenbelt. As a 12 yr old boy, I do not want all the fields and the animals to disappear before I grow up. What happens to my children in the future?

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Remove building on the Greenbelt and pushing for unnecessary levels of growth. Consider using Fiddlers Ferry.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
