4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

It is based on not needed expansion ,of somebody else ,s needs based on greed ,it is not a natural expansion of local people needs ,it is simply importing people from elsewhere ,beyond local expansion ,it is trying to create a honeypot ,as usual infrastructure will try to keep up but cannot ,I have lived in Warrington for ■ years ,and have seen at close quarters the mis management that Warrington has become ,sustained growth is the key ,with underpinned infrastructure coming first ,thank you

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Okay , a closer managed scale of plan based on local needs ,not a honey pot objective sucking people in from where ever ,to possibly create s possible city status farce ,if we have something to give they the people will come naturally ,I notice many new house builfd are being purchased off plan ,more greed ,a house needs to be a home ,that is it really
