To whom it may concern

It was with great surprise we heard about WBCPDO anonymously

We feel strongly that the council should have informed all residents considering consultation has been going on since 2014

You have not demonstrated the need for 22260 houses which you claim will be necessary due to growth despite Brexit and the sorry predictions for our future

We live in Grappenhall [REDACTED] we often walk along the trail to enjoy the nature wildlife and health benefits it provides for us

We feel this development will totally destroy the character of Grappenhall and Thelwall

Why is the need for Warrington to become city and why the need for Garden city whatever that may be

We feel Warrington borough Council has written shot gun over all its residents which is totally unacceptable
