Registration District and Staffing Profile

Warrington is a single district registration authority. The boundaries of the registration district correspond with the boundaries of the borough council. It is the sixth largest of the ten unitary authorities in the North West. There is one sub district, A.

Warrington's resident population stands at around 209,500, consisting of 104,000 males and 105,500 females.

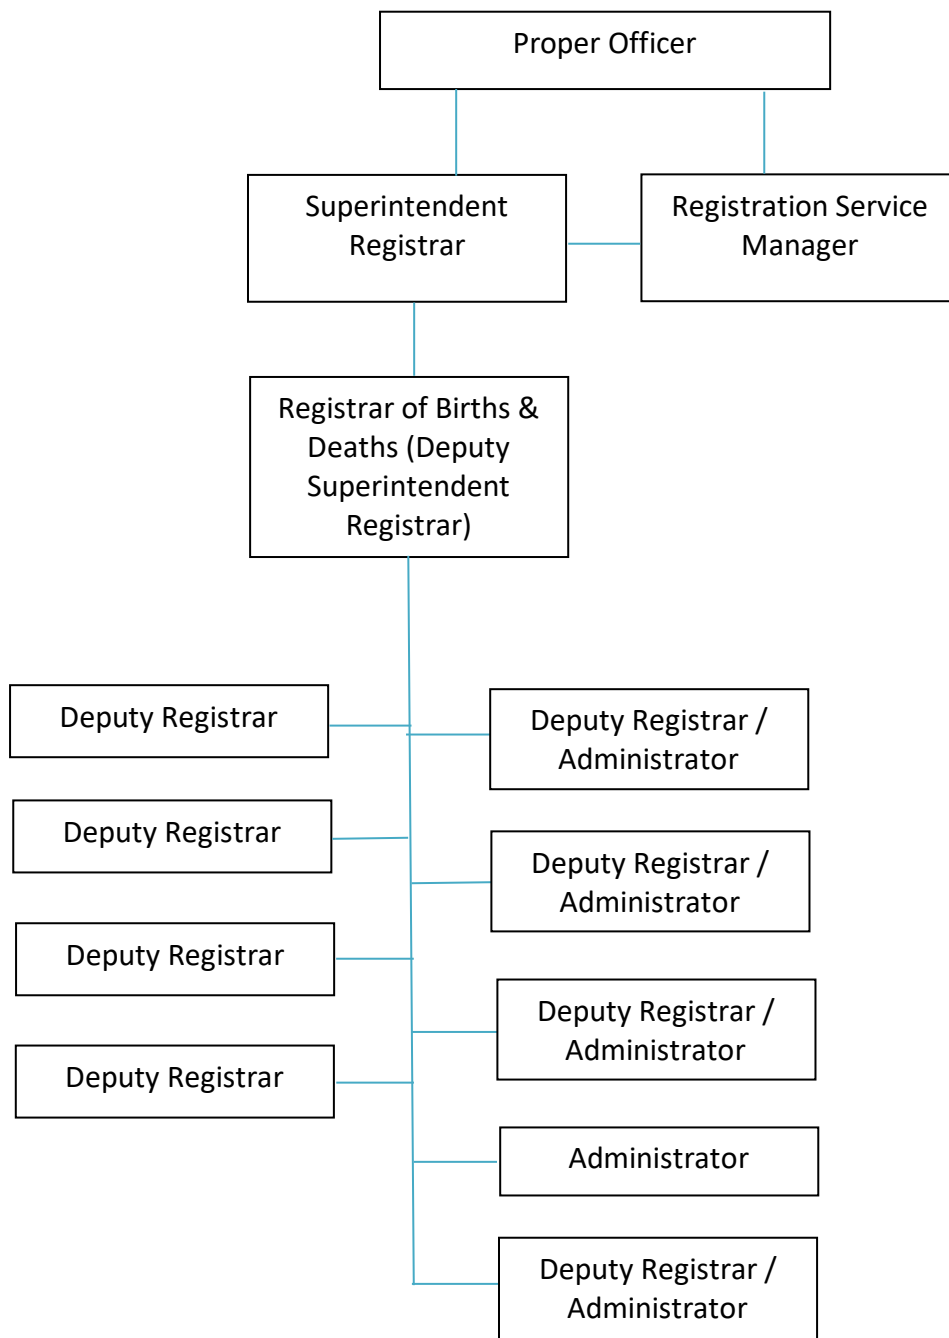

At the time of the 2011 Census (2021 results not yet available), 4.1% of Warrington's population recorded their ethnicity as non-white. Compared with the North West average, Warrington has a slightly higher proportion of residents born in EU countries outside the UK and Ireland. Warrington has similar proportions of the broad population groups to those found at regional and national level: - 39,700 (19%) young people aged 0-15. - 131,000 (63%) working age population aged 16-64. - 38,900 (19%) aged over 65.

Within the boundaries of Warrington registration district there is one major hospital, Warrington and Halton Hospitals NHS Foundation Trust. The hospital has an Accident and Emergency department and a large maternity unit.

The location, size and range of specialist services offered at the hospital, and the closure of maternity wards in neighbouring districts means that the hospital is used to a significant extent by people who are resident outside the Warrington boundary. All birth and deaths occurring at the hospital fall under the responsibility of Warrington registration service.

Staffing Structure

The Registration Service consists of 11.26 full time equivalent staff (including one fixed term post).

The Service also has seven Sessional Registrars. One Deputy Registrar and one Receptionist / Administrator are shared with Warrington Borough Council’s Customer Contact Centre. All staff act as celebrants for ceremonies.

Comments and Complaints

Warrington Registration Service operates its complaints procedure in line with Warrington Borough Council policy.

Informal Complaints

If you are unhappy with the service you have received, please tell a member of staff at reception and they will deal with your complaint or refer it if appropriate.

Formal Complaints

If you have a formal complaint you can email us at registrars@warrington.gov.uk or write to the Superintendent Registrar, The Register Office, 1 Time Square, Warrington WA1 2NT.

We handle your complaint by following three stages:

Stage 1 – Local Resolution.

The Superintendent Registrar will acknowledge your complaint within 5 working days and give you a full response within 10 working days.

If you are not happy with the outcome of your complaint then you can request that the complaint is escalated to a Stage 2 complaint.

Stage 2 – Formal Investigation.

If the complaint has not been resolved under Stage 1, or you are unhappy with the outcome then you can request that a Stage 2 Investigation is undertaken.

Stage 2 is a request for a formal investigation. It is a comprehensive consideration of the complaint. The outcome will be a formal written report of the investigation.

We aim to clarify the details of your complaint within 5 working days of receiving it and give you a full response within 10 working days.

Stage 3 – Procedural Review.

The Stage 3 Review will be handled by a Director or appropriate Senior Officer within the Council. It is a review of the way a complaint has been handled against the policy to ensure the complaint has been dealt with appropriately; it is not a review of the complaint itself.

If you wish your complaint to be looked at under stage 3 then please be as detailed as possible about the reasons why you want to do this, why you are still not satisfied, and what you think we should do to resolve this complaint.

If the Council believes that a Stage 3 Review is unlikely to produce a different outcome than the Stage 2 outcome for the customer, we have the option of referring the case direct to the Local Government Ombudsman, rather than completing a Stage 3 Review.

We aim to send you an acknowledgement within 5 working days of receiving it, and inform you of the outcome of the review within 10 days of receiving it.
