

Warrington Local Plan 2021

Examination in Public

Respondent 0698 A-E – John Appleton

Written Statement regarding Matter 4 – Housing need.

I refer to the Statement Matter 4 submission by Stretton NDP for issues regarding the unsound and unjustified proposal by Wallace / Miller Homes to construct circa 700 homes on green belt land south of the enduring green belt boundary. This is also supported by Matter 3, The Spatial Strategy. This green belt release should not be allowed to happen.
