**Categories:** Hearing Statement

Dear Kerry Trueman,

Further to the comments previously made by Sport England on the above matter, Sport England would like to provide the following statement:

Sport England would like clarification from the Local Planning Authority that the proposed transport schemes (particularly the Warrington East Multimodal Corridor) that are included within the Warrington Updated Proposed Submission Version Local Plan Policy INF2 – Transport Safeguarding will not impact on existing playing fields or provide advice as to the proposed mitigation for impact in accordance with NPPF paragraph 99 and Sport England’s Playing Fields Policy and Guidance 2021. Please follow this link for the document - [https://www.sportengland.org/how-we-can-help/facilities-and-planning/planning-for-sport?section=playing\\_fields\\_policy](https://www.sportengland.org/how-we-can-help/facilities-and-planning/planning-for-sport?section=playing_fields_policy)

Sport England do not need to be present at the oral examination but would like the concerned planning policy amended, if necessary to reflect the above concerns.

Kind Regards,

**Christopher Carroll**  
Planning Manager
