Subject: Warrington Local Plan Examination Matter 11 Transport and other infrastructure -2

Categories: Hearing Statement

Dear Kerry Trueman,

Further to the comments previously made by Sport England on the above matter, Sport England would like to provide the following statement:

In addition to the comments below for the above topic matter, Sport England would like to highlight that for Warrington Updated Proposed Submission Version Local Plan Policy INF5 – Delivering Infrastructure that the ‘key evidence’ does not list the Playing Pitch Strategy 2017 (updated 2019) or list the Sports Facilities Strategic Needs Assessment 2014. If these documents are considered to be up-to-date then they should be listed within the supporting text, in accordance with paragraph 98 of the NPPF. The supporting text should also outline a timetable as to when these documents are to be reviewed.

Sport England do not need to be present at the oral examination but would like the concerned planning policy supporting text amended to address the above issue.

Kind Regards,

Christopher Carroll
Planning Manager

Subject: Warrington Local Plan Examination Matter 11 Transport and other infrastructure

Dear Kerry Trueman,

Further to the comments previously made by Sport England on the above matter, Sport England would like to provide the following statement:

Sport England would like clarification and confirmation from the Local Planning Authority that the proposed transport schemes (particularly the Warrington East Multimodal Corridor) that are included within the Warrington Updated Proposed Submission Version Local Plan Policy INF2 – Transport Safeguarding will not impact on existing playing fields or provide advice as to the proposed mitigation for impact in accordance with NPPF paragraph 99 and Sport England’s Playing Fields Policy and Guidance 2021. Please follow this link for the document - https://www.sportengland.org/how-we-can-help/facilities-and-planning/planning-for-sport?section=playing_fields_policy

Sport England do not need to be present at the oral examination but would like the concerned planning policy amended, if necessary to reflect the above concerns.

Kind Regards,

Christopher Carroll
Planning Manager
