

Warrington Local Plan

Examination Hearings

Matter 11 – Transport and other infrastructure

Thurs 6 Oct 2022 – 9.30am

Virtual session

AGENDA

Whether the Local Plan is justified, effective and consistent with national policy in relation to the approach to transport and other infrastructure.

1. Sustainable travel and transport (Policy INF1)

- Application of policy to all development, regardless of type and scale
- Scope of policy – criteria to judge planning applications/wider Council actions/strategic principles
- Overall approach in Policy INF1

2. Transport safeguarding (Policy INF2)

- Basis for safeguarding land for transport schemes and implications of doing so
- Status of schemes concerned, level of commitment, progress and funding

3. Utilities, telecommunications and broadband (Policy INF3)

- Application of policy to all development, regardless of type and scale
- Overall approach in Policy INF3

4. Community facilities (Policy INF4)

- New Warrington Hospital – update on situation, potential to be accommodated within this Local Plan
- Overall approach in Policy INF4

5. Delivering infrastructure (Policy INF5)

- Flexibility in relation to effect on viability
- Review mechanism for planning obligations
- Overall approach in Policy INF5

6. Aerodrome safeguarding (Policy INF6)

- Implementation of policy in practice

7. Main modifications
