Subject: FW: Consultation on WBC Updated Proposed Submission Version Local Plan (2021)

Dear Mr Bell

Further to my recent email I was reminded last night by a "Labour Rose" leaflet pushed through my letterbox that Peel Hall is still included by WBC as land potentially available for development. Frankly I find this to be quite absurd and urge you to persuade your colleagues to remove this property from the Local Plan. WBC has, for a number of years, refused to grant planning permission, sought by Satnam Millenium Ltd, for major development at Peel Hall and is currently objecting to Satnam's latest appeal. To include this land in the Local Plan beggars belief and I think that the residents of Fearnhead, Winwick, Cinnamon Brow and Orford deserve much, much better from WBC.

Yours faithfully,
A.R Weaver

Dear Mr Bell

I refer to your letter of 4 October 2021.

In view of the Prime Ministers statement on Wednesday 7 October 2021 that houses should not be built on "green fields" in a clear signal that the Government intends to abandon proposals for an overhaul of planning rules, then in my opinion the Council should put on hold the proposed submission of it's Local Plan which may well need to be further amended when the Governments intentions are formally announced.

Yours faithfully,
A.R.Weaver
