---

Dear sir ,

I wish to object strongly to the proposed revised local plan which gives the town a basis for planning decisions until 2038.

I would like to object on the following grounds .

1. There is no Justification for the scale of green belt release .
2. No Clarity on means of delivery .
  - a. No Explanation of how the already poor transport infrastructure of south Warrington can cope with the increased levels of traffic .
  - b. No explanation of the additional infrastructure needed , Schools , healthcare to ensure a duty of care delivery .

Yours sincerely .
