To whom it may concern,

I feel that I need to speak up regarding the proposal to build new homes within the Thelwall Heys area.

Both myself and my family have lived here for over 20 years, with my daughter attending the local schools.

We were all devastated to find that new homes are planned to be built within this Green Belt area.

As a family we feel very strongly that our surrounding countryside is planned to be “carved up” without a care for the local people and the already over burdened services for the local area.

My family and I would like to lodge our strongest opposition to this proposal, and would hope that the planning is cancelled and what is left of our beautiful countryside is left alone!!!

Yours sincerely
