**Subject:** NO to Warrington local plan  
**Date:** 24 October 2021 14:13:25

---

Hi,

Please note I am not happy with and I am saying NO to the Warrington local plan.

The green belt in Warrington south is incredibly important to nature and its people, it should be off limits for development.

You will be contributing to climate change and habitat destruction if you allow for this to go ahead and for that you should be ashamed.

My details are

Mr Julian Norton

[REDACTED]

Kind regards.
