PLEASE KEEP THIS PAGE FOR REFERENCE

Please read the following information carefully:

Before stating your preference for Nursery School or Nursery Class, the Local Authority gives parents at least six weeks to consider information about the authority's general arrangements for admission to Nursery Schools. The Booklet 'Nursery Education – Information for parents 2023' has been produced for this purpose and is available to view or download at www.warrington.gov.uk/schools As soon as you have made your preference please return the completed application to the Headteacher of the school of your first preference to arrive no later than **Wednesday 8 March 2023**.

Remember these points when completing your form:

Give the correct address i.e. the address where the child normally lives – not a childminder's or grandparent's address. It may be necessary for the Local Authority to carry out checks to confirm that addresses given are genuine and so in certain cases you may be asked to produce further documentary evidence of your child's address.

If you are applying for a place at a Faith nursery, check their admission criteria first. These schools require their own application to be completed as well as the local authority application form. Four Church of England Primary Schools have community nursery classes for which the local authority is the admissions authority not the Governing Body: Birchwood CE Primary, Cinnamon Brow CE Primary, Sankey Valley CE Primary and Christ Church CE Primary School. For these Nursery Classes the completion of this form is sufficient.

Please do NOT repeat the name of a nursery three times. This does not improve your chances of getting a place there. It means that if you do not get a place at the nursery of your first preference, the admissions staff will not know which other nurseries are of interest to you. You may lose priority for another nursery where you might otherwise have obtained a place.

If you would like to apply for a nursery outside the Warrington Authority, you should approach the appropriate authority for information, application forms and timetable for receipt of applications.

Assistance with Travel:

The regulations regarding transport to nursery and assistance with travel are explained in the Booklet 'Nursery Education – Information for parents 2023'.
