Re: Local plan modifications - inconsistency in treatment of the Western Link

MM005 para 4.2.22 ... 'the Western Link and motorway junction improvements' ... 'the Western Link and' should be struck through for removal.

This would then be consistent with similar statements in MM002 para 3.3.26 and MM007 para 5.1.19 where the unreliable prospect of Western Link delivery has been reflected in the modifications by removal / strikethrough of 'Western Link'.

John Lydon
