You don't often get email from [REDACTED] [Learn why this is important](#)

What are you lot on about? Have you actually read what you have emailed out? The only modifications required is to modify your working practices and self imposed importance. I am so looking forward to the planning reform bill to rid the country of such stiff red tape you are relishing in.

Dear Sir/Madam

You have previously made a representation to the Council as part of its Local Plan review, and/or you have been asked to be informed about progress of the Local Plan.

We are aware that not everyone received notification of the consultation on the Proposed Main Modifications to the Updated Proposed Submission Version Local Plan 2021 – 2038, as recommended by the independent Planning Inspectors, which was carried out between Wednesday 15th March 2023 and Wednesday 26th April 2023.
