

**THE BOROUGH OF WARRINGTON (TRAFFIC MANAGEMENT) (CIVIL  
ENFORCEMENT) CONSOLIDATION (AMENDMENT NO.59) ORDER, 2023**

**STATEMENT OF REASONS**

Increased pressures on evening parking on Dundonald Avenue have been causing accessibility issues for local supermarket delivery vehicle access into the car park served from this Road. It is reported that the restrictions have caused delivery vehicles to abandon delivering to the supermarket on average twice weekly resulting in a costly expense.

To deal with this problem it is proposed to adjust the parking restriction times from the junction of A56 Walton New Road to adjacent to the access road to the Forge Car Park.
