## Guidance notes for completing the application form

### SECTION 1 - Your child's details

Children formerly in care are defined as children who have ceased to be in care because they have been adopted or became subject to a child arrangement order or a special guardianship order. In order to be considered under this criterion a copy of the certificate/order must be provided at the time of application.

### SECTION 2 – Address details

The child's current address must be where the child and Parent/Carer normally live, not a childminder's or grandparent's address. Where a child lives with parents with shared responsibility the address given on the form should be the address of the parent who is in receipt of the child benefit and/or tax credit, proof may be required.

Please be aware that if you have indicated a future change of address and/or a proposed move, it remains the Parents/Carers responsibility to inform the Admissions Team and provide documentary proof once the change of address has actually taken place, address changes with supporting documentary proof can only be accepted up until **2 APRIL 2024**. Any changes after this date will be dealt with after the allocation date of **16 APRIL 2024**.

### SECTION 3 - Preferences

Please name three schools in order of preference. Schools from outside Warrington Local Authority should be included unless they are for fee paying independent schools. Please state brothers or sisters of the child (including step, half or foster brothers or sisters living at the same address) who are attending the same school and are expected to continue in September 2024.

### SECTION 4 – Reasons for the preference

Under the School Standards and Framework Act 1998, parents have the right to detail their reasons for stating a school as a preference. If you wish to detail your reasons for stating a school as a preference, you may do so - either on the form (or on a separate sheet which should be attached to this form).

### Supplementary forms

If any of your preferences are for a Faith school, the school's own supplementary form should be completed as well as this form. Supplementary forms are available from the individual schools or can be downloaded from [www.warrington.gov.uk/schools](http://www.warrington.gov.uk/schools)

You should not confuse the right to state a preference for schools with entitlement to assistance with transport provision. If you are offered a place at a school of your preference you will not necessarily receive any travel assistance to that school. It is the responsibility of parents to transport their child to/from school. You should consider this fact when stating preferences for the schools.
